Important message to all Snipe sailors!

Tønsberg Seilforening was to arrange SCIRA Jubilee Regatta and Scandinavian Open Master Championship from 5 to 11 august 2007. Registration expiry date was 15 July and at such time very few boats were registered. It is with regret Tønsberg Seilforening therefore finds it necessary to cancel both events due to lack of participation. We apologize to those of you who have registered in time. You will each receive an e-mail from us with further details.

We had anticipated that with the co-operation of SCIRA these regattas would have been supported internationally by SCIRA members.

However, everyone should learn from this that it is important to follow Notice of Race with regard to registration deadline and as organizers it is necessary to evaluate what kind of arrangements is to be offered.

Around one hundred volunteers were engaged in this one week arrangement and as organizer we cannot misuse their goodwill for just a few participants.

We wish you all happy sailing wherever you may be and perhaps we shall have the opportunity to welcome you to Tønsberg Seilforening and Fjaerholmen another time.

Kind regards

Anders Kr. Andersen

Regatta Committee chairman
