April 1, 2004

To: SCIRA Board Members
Fr: Commodore Jiro Yamamoto

In order for ISAF to consider the SNIPE as equipment for the 2008 Olympic sailing events in Qingdao, China, SCIRA must sign the attached agreement. ISAF requires that this agreement be signed without alteration. This agreement was approved by ISAF in the May 2003 ISAF meeting. Since conditions vary among classes, the Snipe in Olympics Committee has prepared the attached letter to outline and clarify the SCIRA understanding of the agreement. Please vote and send the ballot in as soon as possible. Please contact me via email if you have any questions. Thanks for your attention to this matter.
