- Entry and Eligibility:** Skippers shall be citizens or residents for at least one year of the country they represent and each must present credentials signed by his National Secretary attesting that he is the entrant.
- Open to:** Five qualified teams from each country in the Western Hemisphere & Orient. Preference including the national champion and runner-up for the current year.
- Additional entries** not included in the 5 qualified team quota as follows:

- Reallocation – in the event that the total entries do not meet a total of 50 boats:**
1. Registration period begins 6 months prior to the start of the Championship or upon posting of the NOR. “Registration” is defined as a skipper who has satisfied requirements outlined in 1. above and has paid to the regatta organizing authority the full registration fee and charter fee (if applicable) as specified on the Official Regatta website or via equivalent means. This registration period ends a minimum of three months prior to the official start of the Championship.
 2. If 3 months prior to the start of the Championship, countries in good standing with SCIRA have not registered 5 eligible teams, and the number of registered entrants has not reached 50 teams, those unassigned entry slots will be reallocated to a pool of qualified entrants. The number of entries available for reallocation will be the difference between the fleet limit of 50 and entries registered during the initial registration period.
 - a) SCIRA and the organizing authority shall post, within one week of the close of the initial registration period to the Official Regatta website, or equivalent means, the number of additional entries available and the assigned allocation to those countries requesting additional entries.
 - b) Reallocated entries will not count toward the initial per country limit.
 - c) Those countries eligible for additional entries (registered their 5 teams) will have from the time of posting until 8 weeks prior to the start of the Championship to register additional entries.
 - d) Any unfilled reallocated entry not registered 8 weeks prior, shall lose that entry which will then be made available on a “first come” basis only from a received valid registration.
