

Jeff Lenhart Takes Snipe Winter Circuit

Lenhart, Ed Adams win berth at Pan Am Games

Jeff Lenhart and Pat Muglia were the top team for the Snipe Winter Circuit with a first place at Clearwater, second place in Miami, and a first and second for the two Nassau Regattas. Mark Reynolds was a close second. Jeff and Ed Adams will represent the U.S. in Snipes in the Pan Am Games in Venezuela in August, as first and second place finishers at the Clearwater Midwinters.

Don Q Rum Keg Regatta

Friday March 18

First Race: Southwesterly winds 15 to 25 mph. Triangle course. Lenhart took an early lead but Reynolds passed him in the last weather leg. The finish was: Reynolds, Lenhart, Chapin, Adams and Bateman.

Second Race: Winds remained the same and again two triangles. Scott Weston from Coral Reef Yacht Club, Miami, established an early lead and kept it for a complete triangle. At the finish line it was: Lenhart, Reynolds, Scott Weston, Pierre Siegenthaler and Ed Adams.

Saturday March 19

Third Race: The fleet had to wait for the wind to settle. It was Southeasterly 15 mph. Ed Adams jumped on the lead at the first weather mark increasing the lead almost to a horizon job. At the finish line: Adams, Reynolds, Chapin, Lenhart and Angie Diaz.

Fourth Race: Southeasterly winds increased to 15 to 20 mph. During the last weather leg we experienced a significant wind shift to the South. At the end it was: Lenhart, Reynolds, Chapin, Pierre, and Mary Bennett.

Sunday March 20

Fifth Race: Clear and Sunny, Biscayne Bay at its best! Southeasterly winds 15-20. Mark Reynolds, Angie Diaz, Ed Adams, Earl Elms and Pierre Siegenthaler quickly jumped up in front. It was very close racing. At the finish: Reynolds, Adams, Siegenthaler, Fred Able and Jeff Lenhart.

Bacardi, Gamblin Series

The Royal Nassau Sailing Club was host

to the annual Bacardi Cup and SCIRA Winter Championship held March 23-26 in Montagu Bay, Nassau, Bahamas.

Of the 41 entries 25 were from the U.S.A., 1 from Canada and 15 from Nassau. The visiting Snipes were transported across the Gulf from Miami on the M.V. "Betty K."

We were honoured again this year in having renowned Star sailor Charlie deCardenas come over from Miami to be Race Committee Chairman. He had his

hulls full with the weather. It took three days to sail the three Bacardi Cup Races.

Opening day was fine with easterly winds of 12-15 knots. At the end of the day two races had been sailed over an Olympic type course and Jeff Lenhart was leading with a fourth and a first and Pierre Siegenhauer was second with two thirds.

The next day the third race was started in southeasterly winds of 20-22 knots. The wind steadily increased to 25-30 knots with gusts up to 35 knots. The race was abandoned when the leading boats had two legs to go on the two and one-third triangular course. In the meantime half the fleet had capsized, mostly on the reaches, although four boats were shown over going to windward on the second beat. For the photographers following the race it was a dream come true.

It was still howling on the third day and in the early morning, with Montagu Bay covered in white caps, it seemed impossible that there would be any racing. Just before noon much to the surprise of everyone the wind had abated and it was possible to sail the final race for the Bacardi Cup in northerly winds of 16 knots with reasonably good sea conditions. Mark Reynolds was the winner of this race and Jeff Lenhart was second.

Jeff Lenhart and crew Pat Muglia won the Bacardi Cup by three positions over Mark Reynolds and crew Eric Krebs who took second place. Third was Pierre Siegenhauer and crew Peter Greene of the Nassau Snipe Fleet.

Weather conditions dictated that the third race for the Bacardi Cup should also count as the first race for the Gambelin Memorial Series. On Friday afternoon two back-to-back races were sailed over an Olympic type course for the Gambelin Cup in Northerly winds of 16 knots gusting to 20 knots. These two races were won by Jeff Lenhart and Jerry Thompson with Mark Reynolds and Dave Chapin taking the runner up spots.

On Saturday, the last racing day, the winds were Easterly at 20 knots gusting to 25 knots. Two back-to-back races were sailed over a two and one-third lap triangular course. These two races were won by Ed Adams and his crew Meredith Adams and Mark Reynolds. Second place finishers in the two races were Pierre Siegenhauer and Ed Adams.

Mark Reynolds dominated the Gambelin Series and won handily with two firsts, a second, a third, and a sixth. Jeff Lenhart was second and Ed Adams third.

The traditional Bacardi Daiquiri Party was held at the Club on Wednesday evening following the first two Bacardi Cup Races and was much enjoyed by everyone.

Winter Circuit

(Continued from page 9)

The Charles Kelly Memorial Trophy was won by Mark Reynolds, the skipper with the best total score for all the races in the two Nassau Regattas. The Carl Zimmerman Trophy was won by Jeff Leinkart, the overall winner of the Southern Winter Racing Circuit.

Pierre Siegenthaler and Peter Greene won the Concordia Trophy awarded to the best Nassau entry in the two series. The highlight of the presentation was the awarding of the John Bull prizes, comprising magnificent watches and cameras, to the first six skippers and crews in the seven Nassau races. The trophy presentation took place at the Club on Saturday night where there was dinner, lively dancing and good fellowship. For many, Sunday was spent swimming and sunning on the beach at Athol Island.

Carpetbagger Takes Cracker Barrel Regatta

Chattahoochee Sailing Association, Columbus, GA, took the Cracker Barrel to Privateer Yacht Club, Chattanooga,

when Georgia Power and Light pulled the plug on Lake Harding three weeks before the scheduled September 25-26 regatta date. The two fleets were co-boats for the Cracker Barrel competition, emblematic of the District IV team championship. 1982 champions were the mixed team of Greg Gust, currently claimed by both the Barefoot and Luke Lander Fleets (but really from "Up Yonder"), and Pete Duvoisin of Privateer. Tom and Fildie Craig won second place honors. Don Pettigrew and John Muhlhausen, AYC, were third.

Saturday's sailing was less than exciting, as the morning rain gave way to a cloudy drizzle and a light and shift southwesterly breeze. R.C. Dean Hearn set two modified Olympic courses in the

tricky conditions, and managed to get two races completed for the afternoon despite the adverse conditions which resulted in recalls on both starts. Duvoisin and Gust had a healthy lead over the second place Craigs after those two races. Pettigrew and Muhlhausen were less than two points back in third place.

Sunday morning there was a fresh breeze out of the North, and no problem in setting a good Olympic course. Although individual positions changed, and Means Davis (teamed with daughter Tarase) won the race, the three top team positions remained the same with Duvoisin and Gust on top for the series.

Horn and Lib Clark were on hand from the Chattahoochee club for presentation

Scientific Sailboat Racing

Thoroughly revised and updated by Ted Wells and Lowry Lamb. Illustrated with diagrams and photographs. Since it was first published in 1950 and through one revision in 1958, *Scientific Sailboat Racing* has established itself as a classic of its kind for small boat sailors. Now, it has been thoroughly overhauled to take advantage of the latest developments, particularly in equipment, that have come about in the last twenty years of sailboat design and handling.
