2012 WOMEN'S U.S. National & North American CHAMPIONSHIPS

Hyannis Yacht Club
August 24-26

The Hyannis Yacht Club has been selected to host the 2012 combined Women's U.S. National and Women's North American Championships from August 24-26. A newly renovated club plus the racing options of protected waters in Lewis Bay or open ocean on Nantucket Sound make Hyannis a perfect snipe venue. The winner of this regatta will secure a spot at the Western Hemisphere & Orient Championships in Buenos Aires, Argentina in November 2012. **All ability levels welcome.** The August regatta will likely be preceded by an on-site clinic, so plan your summer Cape Cod vacation around this event!
