**Objective:** To allow that all World champions can compete in worlds.

**Proposal** (include current & proposed changed wording- changes to be shown in red): *Example: By Laws: **Section 1. Racing Season***

*The official ~~racing~~ sailing season of this Association shall extend for the full twelve months of the year starting on January 1<sup>st</sup> and ending on December 31<sup>st</sup>.*

We propose an amendment to Isaacks World Championship of SCIRA\_deed of Gift.

We propose that all former senior World Champions has a perpetual entry to the future snipe Worlds Championship.

This entry has to be considered an additional entry, and it doesn't interfere with Scira formula of entries for worlds.

**Reasons:**

**We understand that wining a snipe world championship is such a unique feat, that this sailor has the right of compete in the future editions without the obligation of qualify. Furthermore for all other sailor is a great pleasure to have this idols sailing with us. We don't believe that this additional entries will impact in more than 5 boats per world championship.**
