Dear Martin & Eva;

On behalf of the Snipe Class International Racing Association Board of Governors, we are pleased to inform you that SCIRA Spain has been approved to host the 2014 Snipe South European Championship, hosted by Real Club Astur de Regatas, Gijón.

We are very pleased to return to Spain where many major Snipe events have been hosted and to continue the long history of the Snipe in JSpain.

We are aware of the tremendous efforts of the members, volunteer and staff for the coming months to make for a memorable and competitive regatta on land and on the water and know you are up to the task.

We are pleased with the submitted SCIRA Bid form and look forward to working with you on the Championships. Please know that we are here to help make this the best event possible and look forward to working with you in the coming years.

Best regards,

Jerelyn Biehl
Executive Director
