SNIPE BULLETIN

The SNIPE BULLETIN is edited and produced monthly by Birney Mills, Executive Secretary.

Address all correspondence to:

Snipe Class International Racing Association, 655 Weber Ave., Akron 3, Ohio, U. S. A.

Subscription Rates.

\$2,00 Per Year.

Owners of measured and paid-up Snipes receive SNIPE BULLETIN as part of their membership free.

Forms close on the 15th of each month preceding publication. Material received after that date will not appear until a later issue. Contract advertising rates may be had on application. Be sure and notify SNIPE BULLETIN of any change in address, giving both old and new addresses.

— THE SCORE — Numbered SNIPES-10063 Chartered Fleets — 391

If you really want to know what is happening to the Snipe Class, just compare the above figures with the ones published in March--9746 and 386, or an increase of 317 boats and 5 fleets. With over 10,000 actual names and numbers in the card file, it is interesting to note that many early boats are still in use, e. g. #1, 6, 9, 11, 23, etc., after 23 years. That fact alone speaks volumes for the stability of the design and the strength of the Association, and accounts for the large and enthusiastic growth of SNIPE. SCIRA is about 2 1/2 times larger than the next closest class of one-design boats and many times greater than most. It is in a strong and healthy spot. Let's all work to keep it there and protect our hobby and investment.

NEW FLEET IN THE MAKING.

The Snipe Exhibition at the Schenectady Hobby Show was arranged by M. W. Hellar, 1006 Theodore Rd., Schenectady, N. Y. He exhibited his boat under full sail and passed out Snipe literature and old Bulletins. It was attended by over 8,000 people and Hellar says, "I managed to find four Snipes in the area, which, with mine, should allow us to form a new fleet. In addition, I got the names of five other people who are interested in either building a Snipe or purchasing good second-hand ones. If you can give me more leads on Snipe sailors in the Schenectady-Troy-Albany-Amsterdam area, I would appreciate it." Can YOU help him out?

NOTICE TO ALL FLEET CAPTAINS IN DISTRICT #3.

All Fleets in District #3 are asked to be prepared to nominate and vote for candidates for District Governor, Vice-Governor, and Secretary at a meeting to be held during the Great Lakes and District Championship at Gull Lake, July 23-25 Fleets not represented there should send nominations to Carl Zimmerman, 105 Fir Hill, Akron, Ohio, not later than July 21st, 1954.

NICE GOING, SAM! Mimi Norwood notifies us that she is the treasurer's treasurer and the secretary's secretary of the Atlanta Fleet #330. They expect to have six (6) boats in the Nationals this year. A fast pace for the rest of us!

WOMEN ARE TAKING OVER IN TEXAS

Fred Deere, Fleet Captain of Fleet #1 at Dallas, informs us that he has sold his old snipe #4549 to his wife for love and kisses. "It will be the first time #1 has ever had a woman skipper and crew racing in the fleet. Look out, boys!

The Manchester Cruising Association

The Burworth Sailing Section is one of the few clubs with an active Snipe Class in the North of England. We have approximately 14 boats, the majority of which turn out on Sundays for point racing. This season, we are assessing performance in accordance with the international method of scoring. Snipe #6013, with co-owners H. Whitehouse and A. Holt, is leading with J. K. Brierly #6014 second and a very close third, A. L. O'Nell and B. S. Westonacott in #8860.

Last season, we ran a meeting for the N. W. England Snipe Championship and more than 20 boats competed. All participants considered the meeting a great success, so we are repeating the event this season and intend to make it an annual affair. Needless to say, if anyone from your country is in Cheshire on vacation on Sunday Sept. 26th, 1954, they would be more than welcome and, with a couple of weeks notice, more than likely we would be able to fix them up with a few Snipes for the regatta.

We would appreciate the insertion of the formal notice of the meet in the BULLETIN, which is widely read in this country.

"The N. W. Snipe Championship will be sailed on Budworth Mere, Cheshire, on September 26th, 1954.

The helmsman of the winning Snipe will be presented with the HOWARTH TROPHY to be held for one year. The 1953 Championship was won by Maxwell Savage with Dr. Penman runner up-both of the Norwich S. C.

Once again the race will be sailed under the Burgee of the Manchester Cruising Association and entry forms are now available from Mr. E. C. Palin, 28 Higher Lane, Lymn, Cheshire."

--Publicity Secretary Fitzpatrick.

HOW DID THIS EVER HAPPEN? ---

NORTHERN MAN WINS SOUTHERN CHAMPIONSHIP!

Trophy winners: In front. left to right, Carl Zimmerman, the newSouthern champ with the Patten Trophy; Elmer Ryker of Atlanta, 9th; and Billy Roberts, Chattanooga, 2nd. Next row, Fred Pember, Atlanta, 7th; Sam Norwood III, Atlanta, 6th; Eddie Williams, Kansas City, Mo., 3rd; Harold Gilreath, Wichita, 4th; Jules Kroeger, Rochester, N. Y., 5th; John Call, Jr., Wawassee, Indiana, 8th place.

Carl Zimmerman, 63 year-old public utility superintendfrom Akron, Ohio, finishing 1, 2, and 6th in three races, won the third annual Southern Snipe Championship Regatta. Carl, with Geves Kenny, 53, as crew, had top aggregate for the twoday affair at Privateer Yacht Club basin on Chickamauga Lake by 164 points over young Billy Roberts, Chattanooga teen-ager, who took second place. Roberts, a Baylor student, skippered with his father, Dixie Roberts, as crew.

First place in the final race, a drifter, was taken by Elmer Ryker, a charter member of the new Atlanta Yacht Club and marked the first major win for them at Chattanooga. This victory gave Ryker and his Yankee Doodle 9th place in the final standings after a 13th and 14th on Saturday. Eddie Williams, Kansas City, Vice-Commodore of SCIRA and a widely known sporstman of the Southwest(he had 40 horses at the Memphis Cotton Carnival) who tied with "Zimmy" for first place after the first two races, was becalmed as were most of the skippers, but his 13th place gave him a final third for the series ahead of Harold Gilreath, Wichita, Kan. Gilreath,

the 1953 champion and former Chattanoogan, ran afoul of the fickle winds and current by choosing a tack near the port side bank, but it didn't work. Craft that went to starboard after the start fared much better, but the wind was only fair compared with Saturday's light, moderate breezes and the strong winds of last year.

Jules Kroeger of Rochester, N. Y., spurted to second place in the final race on a big puff of wind that blew him by Roberts, raising him into 5th place in the over-all standing just two points behind Gilreath. Two Atlanta boats came next. -the popular Norwood children, Sam III, 13 and tiny, pig-tailed Beth, 9--got a snappy fourth place in the last race to take sixth place in the final standings. They are sailing a new boat, POTO, and they beat out their parents, Dr. Sam II and Mimi Norwood, prominent Atlanta competitors, They also won over their Yacht Club champion, Fred Pember, who took seventh place in the regatta.

Mrs. Paul (Peggy) Shepherd, Jr., was reported to have taken the "booby" prize -- the regatta's megaphone -- as last place winner in the 22-boat meet. The former Privateer Madame Commodore was the only woman skipper in the regatta. Eddie Williams contested Peggy's right to the booby prize. "I deserved to win it for running out of wind and brains at the same time, "the Missourian said. Skipper Zimmerman was high in his praise of sailing interest at Privateer Yacht Club and the layout in general. Incidentally, the sailing battle nowgoing on every there over the merits of Egyptian cotton and Dacron sails was won in the final race by the Cottons. Zimmerman and Gilreath used them. Williams had the only Dacron sheets in the meet.

As announced in the May Bulletin, John Nicholson of the Thames River Fleet #354, with 20 first places in 20 races for a perfect score of 1750, won both the U.S. National High Point Minneford Trophy and the International Reichner Trophy. When asked the secret of his success, Mr. Nicholson announced,"I find that the best way to win races is to get out in front early and then gradually improve your position." Thanks so much, John, for that Helpful Little Hint.

Champions and high men in various countries have been underlined.

U.S. NATIONALS AT MENTOR HARBOR, OHIO

FRONT VIEW OF THE MENTOR HARBOR CLUBHOUSE. Situated on a high bank, the veranda at left overlooks the lake.

MEET "BALDY."

Dr. C. B. "Baldy"Sawyer, the Demon Publicity bor, looks for customers. Lake Erie College.

The waters of old Lake Erie off the shores of Mentor Harbor(hm) are all prepared for the 1954 Junior and National Snipe Championships from Aug. 7 to 13th. The races will be sailed on the open lake with no tides and only a very slight easterly current. Courses can be laid out according to weather conditions, usually south to north westerly winds prevailing. It is ideal sailing ground. The Yacht Club itself lies about 25 miles east of Cleveland on the shore to the north of local State Route 283, running only between Painesville and Cleveland. A detailed map will be included in the program sent to all entrants.

Painesville is about 7 miles east of the Yacht Club and arrangements have been made there to accommodate visiting competit-Chairman of Mentor Har- ors in one of the dormitories of

Reservations must be in the hands of Mr. Richard Seymour, 9021 Bessemer Ave., Cleveland 4, Ohio, by July 15th. Numerous motels are in the vicinity on Route 20, but are apt to be crowded at this time of year, so get your reservations in early.

Entry blanks for both events were mailed out to all fleet captains on June 15th and August 3rd is the deadline for postmarking entries. You must fill out two copies, sending one to Arthur Hellman, 2973 Morley Rd., Cleveland, O., the general chairman of the regatta, and the other to Birney Mills, 655 Weber Ave., Akron, O., with a check for \$15.00 for entry fee for the senior Nationals. The Juniors do not pay any entry fee. This money will be reserved to pay the expenses of the 1955 champion to the International World Championships in Spain next summer.

Complete information concerning the Nationals can be obtained on Page 62 of the 1954 Rule Book, while the Juniors can get their eligibility requirements from the Duffy Trophy deed on Page 72. The rules are simple and must be strictly observed. Please note that under International Championship rules on page 58 it states: THE SAME CREW SHALL SAIL IN ALL RACES EXCEPT FOR REASONS SATISFACT-

LAGOON AT MENTOR HARBOR, looking down inlet and out toward the lake. Over 180 boats normally tie up here.

ORY TO THE RACE COMMITTEE." THIS APPLIES TO THE NATIONALS THIS YEAR AS WELL. It simply means that you will have to use the same crew for every race. Only sickness, accidents, enforced absence, etc, will be considered as excuses by the committee. So make your plans to have a satisfactory and reliable crew well in advance. Juniors should note that they must own and regularly skipper their boat in fleet races and use junior crews, as well. DON'T WAIT UN-TIL THE LAST MINUTE TO SEND IN YOUR ENTRY.

Measuring and weighing will start on Thursday, Aug 5th and finish at 6:00 p.m., Aug. 8th at the Yacht Club. Signs at the Club will direct arriving competitors and guests to the registration desk and other vital points. Restaurant and bar will be in operation for tired and hungry travellers. Launching will be from five hoists assigned to specific boats. Be sure and bring your own yokes and slings, if you have them.

As to the racing; the Junior Championship will start with 2 races on Saturday, August 7th, and finish with one race on August 7th. The skippers' meeting for the seniors will be held early Monday morning with the first two preliminary races scheduled later in the day. The third preliminary will be held Tuesday morning with the first race of the finals that afternoon. Two races each are scheduled for Wednesday and Thursday, leaving Friday for any postponed races.

Entrants will be divided for the qualifying races into four equal fleets by lot and each fleet will sail against each other fleet once in the three qualification races. High point man in this series wins the new Crosby Trophy. The top 24 boats in the qualification series sail for the Heinzerling Trophy, while the remaining boats sail for the Wells Trophy. Permanent trophies will be awarded to the first three places in the main events, with other suitable awards made to the high

The social calendar embraces a dance at the clubhouse the first Saturday night, with a cocktail party, a barbecue, and final banquet for presentation of trophies later in the week. Beautiful the year around, even in winter when angry and wild, Lake Erie is most gracious and winsome in August, usually with moderate winds and blue waters. The three host yacht clubs, Portage Lakes Fleet #110, Chautauqua Lake #124, and Mentor Harbor #42 hope to make the event memorable to guests for its pleasure. They extend a most cordial invitation to all snipers and anticipate your arrival with great pleasure.

PLAN NOW TO MEET THE GANG AT THE NATIONALS.

FINISH LINE

Once again, Diamond Lake in Michigan brings up the rear -but don't let that fool you! Fleet #158 with a membership of 40-odd boats with at least 30 of them participating in every race of a crowded schedule, is one of the largest and most active in the world. Naturally, the skippers bringing up the rear in these races are not going to score very many points under our scoring system, while the bottom man in a 5 boat fleet would always score 1296 points and end up with a comparative high standing. Likewise, the top skipper at Diamond Lake is in a tough spot, for chances of perfect scores with so many competitors are bound to be low. 30 boats on the starting line can cause some unavoidable mix-ups, to say nothing of the spectre of being blanketed by 30 boats always in the background. Diamond Lake sailors always give a good accounting of themselves when away from home, so look out, lads!

THE STORY OF "SCIRA"-SNIPE NO. 10000

TED A. WELLS, INTERNATIONAL COMMODORE OF THE SNIPE CLASS ASSOCIATION, PRESENTS "SCIRA"---SNIPE #10000---TO MRS. WILLIAM F. CROSBY.

THE HOTTEST POTATO in the Snipe Class for some time has been the question of what to do when number 10000 came up. Race Committees at large regattas are allergic to large numbers on sails, but it was decided that it shouldn't be too great a burden on their mental processes to merely note that there were five numbers—it will be several years before they will have to remember whether or not the first of the five numbers was a 1 or a 2—so we wouldn't bother about any tricky systems using letters, symbols, etc. ANYWAY, FIVE NUMERALS ON A YACHT SAIL LOOK IMPRESSIVE AND ARE VERY EXCLUSIVE.

The next problem was--who gets the big registration number 10,000? Birney Mills wanted to do something which would get some publicity for the Class in the yachting magazines and possibly in the newspapers. Then Dick Dawson suggested setting 10000 aside as a memorial to Bill Crosby.

Combining these two ideas, I had a hurry-up job done on a half model of a SNIPE on a plaque with 10000 on the sail and "SCIRA" on the name plate. Ted Cronyn did a splendid job of organizing a luncheon at the New York Yacht Club on Thursday, June 10th, at which I presented Snipe Number 10,000 to Edna Crosby, Bill's widow--and the question of what to do about number 10000 was settled.

Bill Taylor of "Yachting" acted as the sponsoring member of the N. Y. C. in order to get us in. Frank Smith of "Boats", Boris Lauer-Leonardi of "Rudder" and representatives of the AP and most of the New York newspapers were there. It was quite a launching party for Edna's new Snipechristened "SCIRA"—which, however, will never be afloat.

A few of the facts pointed out to the visiting journalists may (Turn to the top of page 12)

Airollers are heavy canvas cylinders 9½" dia. by 48" long, neoprene rubber lined and inflated by mouth only. They're used to roll boats up on shore, and are rated for sailboats and outboards up to 1200 lbs. Airollers roll without "sinking in" or "stalling" over sand, pebbles, rocks, mud, ramps and paved surfaces with amazing ease. Low pressure and frictionless they will not damage the finest racing finish. Snipe skippers have found Airollers wonderful for bottom cleaning, end-of-season storage, rolling up the beach to the trailer, temporary mooring float, fenders, and emergency life preservers. When deflated they stow in a small space. An illustrated folder will be sent free upon request.

\$30.00 a pair boats up to 1200 lbs.

Junior Airollers \$9.00 each
\$18.00 a pair boats up to 400 lbs.

be educational even to old time Snipe sailors. There have been a total of 391 fleets chartered, of which 262 are currently active-88 in the United States and 174 in 19 countries outside of the United States. Designed in 1931, the Snipe Class Association was formed in the spring of 1932 with Charter #1 going to Dallas, Texas. The first National Championship was held in New Rochelle, New York, in 1934. The boat has changed very little since it started and many of the earliest boats are still competing successfully. The original design had a small skeg which soon disappeared, and a small jib which was replaced with the present genoa. The mast was moved forward and the centerboard aft in 1941. All other changes which have been made in the original restrictions have either had no effect on the racing performance, or have been tightening the tolerances to keep the SNIPE a true onedesign boat. As a result, SNIPE is by far the most popular and most active racing class of boats ever designed.

This year, a new trophy will be put into competition at the Nationals—the William F. Crosby Trophy for the highest point score in the preliminary races. Incidentally, if you or your fleet want to get in on the act on purchasing this trophy, send your check to Birney Mills NOW, as he has to get the trophy ordered immediately, if not sooner.

GREEN LAKE S = WISCONSINS DEEPEST

Everyone who went to the 1952 Nationals at Green Lake will be interested in the above invitation. WISCONSIN'S DEEP-EST LAKE, (237 ft. -snipers don't need that much water, but it is a comfort to know it is there) is acceded to be the ideal racing spot for Snipes. The live-wire bunch of Fleet #129 have made the usual excellent arrangements and accommodations for their guests and their famed hospitality, combined with the natural beauty of the spot, creates a compelling urge to attend the outstanding regatta of the season.
