Objective:

Proposal (include current & proposed changed wording- changes to be shown in **red**): *Example: By Laws: **Section 1. Racing Season***

*The official ~~raeing~~ **sailing** season of this Association shall extend for the full twelve months of the year starting on January 1st and ending on December 31st.*

C.10.3.b)

~~Crews may use the sail number of any hull which dues for the current year have been paid. If the sail number is different from the hull number, the crew shall submit a request to the Race Committee.~~ **The sail number will match the hull number. If a crew owns more than one boat he/she may use the sail number of any of his/her boats and both have to be paid for the current year. If sail number is different from hull number, the crew shall submit a request to the Technical Committee. In case of any duplicate, the Race Technical Committee will authorize the change at its discretion.**

Reasons:

Although the idea was clear, the written words could cause confusion. Since according to what was written, if a boat was paid for and was not my property, I could use it in a race. And being my property, having several did not force you to have to pay to use it.

¹ Proposals can be made by the Board, Technical Committee, National Secretaries or 5 fleet captains up to 1st March.
