VENUE - Gdańsk

Being the capital of northern Poland with 460,000 inhabitants and more than a million living in its metropolitan area, Gdańsk has it all. It was chosen The best places to visit by CNN Travel in Where to go guide in 2025.

On top of that, in 2023, the European Commission's Report on the Quality of Life in European Cities ranked Gdańsk one of the best cities to live, with the majority of its residents being satisfied with their living conditions.

COSA AZS Gdańsk - is one of main sports facilities in Gdańsk, with its private marina, sports hall as well as a 3*hotel and a campsite.

BUDGET & ENTRY FEE

The budget will be secured by YCG, COSA AZS and City of Gdańsk, which guaranties relevant grant.

Moreover, the organizing committee will work on securing additional sponsorships in order to bring additional values to the event. We confirm that we are ready to sign and fulfill participation agreement. All the items specified by the Class are included in the entry fee per boat. In addition to that we will work on additional financing to deliver a number of extras.

We propose following entry fees

- Euro Cup 250 EUR (early entry)
- late entry fee + 50%

RACE MANAGEMENT

Each year we work with a competent and reliable team of race officials.

As Poland is the host of international events each year, we build a team of experienced polish race officials, with international experience. Many of which are IROs and IJs.

PROMO & MEDIA

Each year we provide wide coverage of the event on Social Media (own and partners') as well as local TV, radio and press to secure a high awareness and interest in participating and covering the event.

A Notice of Race will be published on events website as soon as we agree on all the details with the Class and it will be updated with all the relevant information for sailors and officials on an ongoing basis.

YCG and City of Gdańsk will use its wide media connections to bring publicity on a national level.
