Objective: CR B.2.1. – Hull sticker not mandatory

Proposal (include current & proposed changed wording- changes to be shown in red): *Example: By Laws: **Section 1. Racing Season***

The official racing sailing season of this Association shall extend for the full twelve months of the year starting on January 1st and ending on December 31st.

B.2.1. A valid Class Association Sticker of the year of the competition ~~shall~~ **may** be affixed to the hull in the aft part of starboard side.

Reasons:

In the past, the only way to identify if a boat was registered for the year was the sticker affixed to the hull.

With the new technologies and the database online, it is unnecessary to use the sticker since it is very easy to check if the boat is registered for the year.

To reduce the production and distribution of the sticker worldwide will save a lot of financial resources that SCIRA may use for other purposes.

Also, the sticker can still be purchased through the SCIRA office for those who would like to have it.

¹ Proposals can be made by the Board, Technical Committee, National Secretaries or 5 fleet captains up to 1st March.
